

## Libraries College of Engineering of University of Tehran

*These libraries include the following sections and services*

### Loan and reference section

With more than 87,000 volumes of specialized Persian and English books and about 2000 general books, it performs membership services, settlement, lending and extension, and return and reservation of books.

It should be noted that the service hours in this section are Saturday to Wednesday from 8 am to 6 pm and Thursdays from 8 am to 1 pm.

### Contact us:

#### College of Engineering Library 1:

Ground floor - Central campus Building of technical colleges - Enghelab square - Tehran

•Email: [englib@ut.ac.ir](mailto:englib@ut.ac.ir)

•Phone Number: +982161112854

#### College of Engineering Library 2:

Ghalamchi library building - University of tehran - Campus2 of the college of engineering – Top of Jalal al-Ahmad intersection - North kargar St. - Tehran

### Cataloging section

Cataloging of library resources is done according to Anglo-American rules and according to the classification of Congress library. Entering and correcting bibliographic information of books is done with library software and books are organized in this section.

### Number and duration of book loan for PhD students

Faculty Library: 5 books  
Central Library: 3 books  
Interlibrary loan: 2 books  
For 4 weeks

### Number and duration of book loan for undergraduate students

Faculty Library: 3 books  
Central Library: 2 books  
Interlibrary loan: 2 books  
For 2 weeks

### Number and duration of book loan for master students

Faculty Library: 5 books  
Central Library: 2 books  
Interlibrary loan: 2 books  
For 3 weeks

## Male and female study forums

This forum with a total capacity of about 800 people with the potential of using the Internet is considered for students. The service hours in this section are on Saturdays to Saturdays from 8 am to 9 pm and on Saturdays from 8 am to 7 pm.

## Publications and databases section

It includes Persian and English printed publications in various technical and engineering fields. It is also possible to access articles through databases such as Science Direct, Springer, Scopus, Wiley, etc. in this section. Answering students' questions about access to electronic scientific resources, including how to search for articles in databases, as well as holding training classes on using databases in order to make better use of scientific resources for students, are among the tasks and activities of this department. The service hours in this section are on Saturday to Saturday from 8 am to 3:30 pm.

## Thesis section

With more than 15,000 theses and dissertations, it accounts for all students of the University of Tehran and graduate students of other universities in Iran. The service hours in this section are Saturday to Wednesday from 8 am to 3:30 pm.
